1. Sign up & onboarding (60 seconds)

1. Open **bcredupath.vercel.app** → **Sign up** (email/password or Google)
2. 5-step onboarding:
 - Name + avatar (24 emojis)
 - **Class** → 10 or 12
 - **Stream** (Class 12 only) → PCM / PCB / Commerce / Humanities
 - **Location** → India (then pick state) **or** Outside India (then pick country — for NRI students)
 - Interest tags (pick ≥3) — drives career matches

3. You land on the **Dashboard**.

NRI students: picking "Outside India" auto-sets currency (USD/AED/etc.) and unlocks NRI quota seat info on colleges.

2. Dashboard (/dashboard)

Top strip shows your **Class · Stream · Session 2026-27** + a live countdown to **CBSE 2027 Boards**.

Widget	What it does
Streak	Days in a row you've practiced
XP / Level	Earned per question. Climbs rank Bronze → Diamond
Daily Challenge	Today's curated 10 questions for bonus XP
Quick Modes	One-tap into Hot 20, Rapid Fire, PYQ Marathon, Random
Your Subjects	Grid of your stream's subjects (split for Class 10)

3. Question Bank (/dashboard/bank)

- **Class 10** sees subjects split: Math · Physics · Chemistry · Biology · History · Geography · Civics · Economics · English

- **Class 12 PCM** sees: Physics · Chemistry · Math · English (other streams similarly)
- **2,317 questions** indexed · **801 marked CBSE Official** (from 2023 + 2024 sample papers)

Per subject:

- Sidebar filters: chapter, type (MCQ / SA / LA / Case Study / Assertion-Reason), difficulty, marks, year asked
- Click a question → see options → reveal solution + common mistakes + related concepts
- Star to bookmark

4. Practice (/dashboard/practice)

Pick a mode → 10-30 timed questions → auto-submit → XP + badges:

Mode	Description
Hot 20	Top 20 predicted Qs across all subjects
Rapid Fire	MCQ-only sprint, 45s each
PYQ Marathon	Recent board years only
Weakness Hunter	Hard + medium Qs from your weak chapters
Random	Shuffle
Predicted Paper	Mock paper with predicted Q probabilities

5. Predictor (/dashboard/predictor)

AI scores every question 0–100% for board-likelihood based on frequency, recency, topic weight, and "sleeper" boost (high-freq but not asked in 3+ years).

- **Top 20** ranked list
- **Heatmap** of chapters by predicted probability
- **Sleeper Alerts** — chapters overdue to reappear

6. Careers (/dashboard/careers)

158 careers across 12 categories. Click any → full detail page.

- **Search bar** at top — by name, skill, subject, interest tag

- **Sort:** A→Z · Mid-career salary · Senior salary
- **Category tabs:** Tech, Engineering, Medical, Commerce, Law, Design, Media, Research, Civil Services, Defense

Each career page has:

- Day-in-life · Salary tiles (in your chosen currency)
- **Roadmap:** Class 10 → Class 12 stream → UG degree → PG (optional) → Final role
- Click any **degree node** → drawer of colleges offering that degree with phone/email/website
- NRI quota info appears automatically if you're an NRI student
- Qualifications · Skills required · Entrance exams · Top colleges

Career Quiz (/dashboard/careers/quiz)

- Step 1: pick subjects you enjoy
 - Step 2: 20 swipe-style "Is this me?" questions
 - Result: % match scores against all 158 careers
-

7. Colleges (/dashboard/colleges)

155 colleges — Indian (govt + private) + international.

- Filter by state, country, course type
 - Each card shows: NIRF rank, courses offered, contact details
 - **55 top colleges** carry NRI quota info (fee, seat %, cutoff notes)
-

8. Entrance Exams (/dashboard/exams)

59 exams indexed (13 international).

- **Search + 13 field tabs** + India/International scope toggle
 - Upcoming exams sorted to top with a **Nd** countdown when ≤60 days away
 - Click any exam → detail page with:
 - 4 date tiles (open / close / exam / fee)
 - **Step-by-step "how to apply"**
 - **Careers it opens** (clickable)
 - **Colleges that accept it**
- Coverage: JEE Main/Adv · NEET · CUET · CLAT · CAT · GATE · NDA · CA · CFA · SAT · GRE · GMAT · IELTS · TOEFL · MCAT · UCAT · Oxford · JLPT + more.
-

9. Scholarships (/dashboard/scholarships)

29 schemes — 10 NRI-eligible.

- Filter by type (Govt / Private / Merit / Need / NRI)
 - "Match my profile" filters by your state
 - NRI students see an **NRI-only** toggle (defaults ON)
 - Amount shown in your preferred currency
-

10. Profile (/dashboard/profile)

Edit anything you set at onboarding:

- **Class & Stream** — promoted from 10 to 12? Wrong stream? Fix here.
 - **Location** — flip India ↔ NRI any time
 - **Currency** — INR / USD / AED / SAR / SGD / GBP / EUR / AUD / CAD (career salaries + college fees auto-convert)
 - **Language** — English / Hindi (key surfaces)
 - **Parent share** — generate a read-only link for your parent
 - **Install as app** (PWA — works offline)
-

11. Leaderboard (/dashboard/leaderboard)

Compete by:

- **Scope:** All India / Your State / Your City / Your School (or Country / City / School if NRI)
 - **Period:** Today / This week / This month / All time
-

12. Tips & shortcuts

- **Streak protection:** practice at least 1 question/day to keep your fire alive
 - **Bookmarks:** questions you want to revisit → </dashboard/bookmarks>
 - **Daily Challenge:** highest XP-per-minute reward each day
 - **Install as PWA:** Profile → "Install App" for offline access & home-screen icon
 - **Beta banner** at the top: tap **Report** to email feedback (helps us improve)
-

13. Features currently paused

Three AI-powered features are temporarily off (no API costs while in beta):

- Ask AI doubt resolver
- AI-generated revision notes
- AI question generator

Visiting their URLs shows a "paused" notice with links to working alternatives (Question Bank, Predictor, Practice).
